KRM LOTO MULTIPURPOSE TAGS /TAG HOLDER

Tags are basically used to provide identification and specify the type of fault in industrial area, it can also be fixed with cable tie with lockout devices, and Padlock written in different languages like English and Hindi etc. as per the requirement in different dimensions. Self-laminated Tags basically indicate danger, caution and some other important points related to the installed device. Easily writable with marker and re-writable pen, free from dirt and easily readable.
